Düsseldorf - Wie sämtliche Jahrestests erfasst, die die Landesverbände der AfD in Nordrhein-Westfalen abgeben, liegt die Gründungsplattform der Alternative für Deutschland bei Wählerinnen und Wählern auf dem ersten Platz. Die meisten wollen den Verfassungsschutz nicht mehr, zumindest aus einer Metastudie, die das Landesamt für Verfassungsschutz in Düsseldorf im Juni 2017 mit mehr als 200.000 repräsentativen Fragen erheben durfte. Über diese Untersuchung hinweg liegt die Union am Boden und wird von der AfD abgejagt. Mehr als die Hälfte der Wähler (52 Prozent) stimmte für die Gründungsplattform der Rechtsaußenpartei, ihr Anteil ist deutlich höher als bei den Wählern der Partei der Grünen (39 Prozent) oder der Linkspartei (41 Prozent) und länger anhängig als der AfD (29 Prozent). Damit ist die AfD in Nordrhein-Westfalen sicher am vorderen Platz eines der Standes mit der höchsten Notwendigkeit, jedem eine geeignete Strategie zu entnehmen. Noch vor zwei Jahren waren die Initiatoren des Gründungsplans alle ausgetreten, mit Ausnahme eines Mitarbeiters, der jetzt Präsident bei der Gründungsplattform steht. Post navigation The Gestapo Halloween is a time of horror for many people but the idea of celebrating death is not as unusual as it used to be. One of the first cultures to celebrate Halloween was the Celts who called it Samhain. This was the day when Celtic people believed the veil between the living and the dead was at its thinnest and it was believed that ghosts could supposedly come back to haunt people. In a sense, this is what it's all about, spirits from beyond the grave coming back to haunt us. To combat the spirits of the dead a spirit known as the Druid was invoked who offered sacrifices to the gods and held ceremonies to appease the spirits. This became the first night of the Celtic new year when all were treated to a fire festival. On the first night of Samhain, the surviving Druid called upon the gods for healing, protection and the overcoming of evil. The Halloween tradition of divination today stems from this ancient practice of the Druids and the Celtic religion was considered to be a pagan religion during this period of time. Eventually, Christianity was accepted in Ireland and the worship of the old ways was banned. Samhain was replaced by the new year and Christmas became the new feast day for the Celtic Church. This is when Halloween became Christianized. A man known as Saint Sylvester was a contemporary of Saint Martin and it was he who changed the day of the year when people were supposed to turn to the opposite sex. October 31 was the old Roman ritual of Trinovantum, or 'turning back' in the direction of the sun. It was believed that it was the correct time to find one's soulmate or a new love or when you should begin the journey to marriage. In many places in Ireland it is still celebrated today and has been for hundreds of years. Celtic Catholicism was the most ancient religion in

Ireland at the time of this change. For centuries Ireland's bishops had been in conflict with the English and it was felt it was time to bring the church in line with the desires of the Irish people. This new calendar was too close to Christmas so the Celtic Church changed it to the first night of the new year. They also introduced the Feast of All Saints in remembrance of the martyrs of the old religion and those who gave their lives to Christianity. In the old times in Ireland the strong ruled the weak because the old spirit world
