Release Date: July 17, 2001 Silent Hill: Orphan is a computer game in the real-time psychological thriller genre, developed and published by Silent Hill is an iconic series of survival horror games set in a world based on the Silent Hill 2. Release date: July 1, 2002 Genre: Action/Adventure Developer: Konami Computer Entertainment Tokyo Publisher: Konami Silent Hill is an epic survival horror series set in a world based on the novel A Clockwork Orange. A Clockwork Orange" by the English writer Anthony Burgess. The Silent Hill series of games has received a lot of criticism for the quality of their work, as well as the theme of death and finding oneself. The events in Silent Hill take place in the fictional American town of Silent Hill, whose name, according to The events take place in the fictional American town of Silent Hill, the name of which is an anagram of the English word HILL. In Silent Hill 2 the action takes place in real time. The player in the role of Harry Mason, the hero of the first game, must find his missing son. At the end of the game, Harry learns that the boy has died. The player plays as Harry Mason, a detective. The plot of the game was based on Harry Gray's novel of the same name, which was published in 1973 and was highly critically acclaimed. The game has several endings. The ending itself, when you get to the crematorium, you see that your wife is alive, but she has lost her memory of the events of the game. In some cases, the game can be replayed. Silent Hill 2 was released in 1999. Silent Hill 2 was Silent Hill 2 was based on the first game, but many aspects were changed or new ones were introduced. The plot centered on the events that take place after the end of the first part, and the main character is Alex Shepard. At the end of the game, Alex must kill his mother, whom he loved even after she became insane. Silent Hill 3 was based on the second installment, but in doing so, the plot of the game was drastically changed drastically. The main character, just like in the first game, Alex Shepard, only this time This time he is a child. As the story progresses, Alex will go through quests within different schools - "Industry", "Shop", "Construction", as well as "Quality and Quality". In addition, we will be able to create different modifications. When creating it will be possible to choose the appearance of the character and his gender. In the first episode, Alex will go in search of his father. Walkthrough: Alex wakes up in his house, where everything is so familiar and familiar, but now he is also a child. To his horror, he discovers that all his toys are already packed.
